

## Three Jailbirds

### 2022 SOUTH EASTERN AUSTRALIA PINOT GRIGIO

Our Three Jailbirds, our Australian Magpie, swoop all day protecting their young chicks from enemies, while at night they act as thieves and jailbirds stealing priceless jewelry to line their nests with shiny and sparkling objects.

#### Winemaking and Viticulture

The Pinot Grigio fruit was harvested and crushed directly to the press, where only the free run juice was selected. After a period of cold settling the juice was racked, warmed and fermented using a specially selected aromatic yeast, chosen to accentuate the primary fruit characters and to create texture and complexity.

#### Tasting Comments

Light straw in colour with lovely green hues. Clean, fragrant, slightly grassy aroma with underlying tropical characteristics. Round and soft with creamy white floral notes on the palate that is also clean, complex and crisp. Pairs perfectly with cooked seafood and light pastas. For immediate enjoyment, however, the wine will continue to soften with more complexity over the next 2 to 3 years.
